## ❖ THE EMERGING ECONOMIES SUMMIT - INSPIRING TRANSFORMATION

Hosted in partnership with the United Arab Emirates University, and taking place in Dubai from 18–20 OCTOBER 2021, this summit will bring together leaders from across the world in person and virtually to set the agenda for the future of higher education in emerging economies. Participants will focus on examining which digital transformation models can create alternative pathways to excellence and accelerate the advancement of universities in emerging economies.

### Agenda themes:

- ✓ Increasing universities' resilience in educating and inspiring for a future green economy
- ✓ Envisioning and supporting the development of inclusive and sustainable future-ready universities that offer wider access to students
- ✓ Enabling and resourcing translational research in emerging economies
- ✓ Accelerating the advancement of universities through digital transformation

The summit will also feature the exclusive launch and analysis of the THE Emerging Economies University Rankings 2022 at the prestigious gala dinner, and extensive physical networking opportunities and showcases of UAE research facilities. Out of consideration for the continuing Covid-19 pandemic, this will be a hybrid event. Your ticket will give you access to the physical event if you are able to safely travel to Dubai, or full virtual access to the summit if you are unable to.
