❖ THE World University Ranking - THE Awards 2021

The THE Awards are widely recognised as the 'Oscars of higher education'.

Each year we attract hundreds of entries that exemplify the talent, dedication and innovation of individuals and teams across all aspects of university life, showing us countless reasons why our institutions continue to prosper.

The THE Awards are free to enter, and open to anyone involved in higher education across the UK. In 2021, for the first time in 17 years, the THE Awards look beyond the UK to include excellence in Ireland's higher education sector too.

The winners will be revealed at an in-person ceremony in London on 25 November 2021.

This year's ceremony will once again serve as the celebratory finale to the two-day THE Campus Live UK&IE event which will be held in the newly-refurbished Hilton London Metropole hotel. This means another break from a 17-year THE Awards tradition, with the ceremony moving away from the Grosvenor, so we have some exciting plans to celebrate that too.

We look forward to celebrating with you all at what will be an unmissable event.

❖ Launch of report “Scenarios for the integration of Virtual Exchange in Higher Education”

Virtual Exchange is a powerful and innovative pedagogy to enable deep, interactive intercultural learning through online facilitated discussions. But how can Higher Education across Europe expand internationalisation at home through Virtual Exchange? And how can it be integrated and accredited as a stable component of the academic offer?

The FRAMES consortium has developed scenarios for the integration of Virtual Exchange in Higher Education, a new report presenting different scenarios of integration of blended mobility by Higher Education Institutions, focusing mainly on Virtual Exchange approaches, along with cases illustrating how VE has been implemented within the educational offerings of HEIs.

The event will present scenarios for the integration of VE in Higher Education, and it will explore the constraints and opportunities of the implementation and accreditation of VE in Higher Education, with a specific focus on the European Higher Education Area, and the Irish, Italian, and Spanish Higher Education systems.

The online event will be held on 10 December 2021 11.00-13.00h CET.
