### ❖ UNIMED: Thematic Webinar on "Mediterranean Diet: pattern and adherence" - March 16, 2022

The UNIMED SubNetwork on Food & Water organizes its 5th Thematic Webinar on Mediterranean Diet to be held on March 16th at 3.30 pm CET via Zoom

The Mediterranean Diet, from the Greek *díaita* or lifestyle, is a social practice based on the set of skills, knowledge, practices, and traditions ranging from the landscape to the cuisine, which in the Mediterranean basin concern the crops, harvesting, fishing, conservation, processing, preparation and, particularly, consumption.

The health benefits of the Mediterranean Diet and its protective effect against chronic diseases has been well established by the scientific community. Adherence to the Mediterranean pattern is therefore important in improving overall health. In this webinar, our invited speakers will the advantages of the Mediterranean diet and dissect some of the reasons for our adherence to it.
