NEWS AND ANNOUNCEMENT

❖ **THE - AGILE EDUCATION FOR A DIGITAL-FIRST FUTURE MAY 9-12, 2022, BOSTON MARRIOTT CAMBRIDGE, CAMBRIDGE, MA, US**

Taking a whole-sector approach to digital transformation, this event will bring together higher education institutions from across the US to challenge the current university model and transform it to deliver agile continuous education for the future.

Education needs to become more flexible, cost- and time-efficient. Discover how digital technologies can transform teaching, learning and the campus experience in an open, collaborative and innovative way.

Together, we will explore:

- Challenges and opportunities of an agile continuous education model.
- What educators need to know about the future of hybrid and flexible learning.
- Bridging the student digital divide.
- Overcoming barriers to edtech adoption.
- The future of online education in the knowledge society.
- Skills for a digital-first future.
- Cyber surveillance strategies for a secure campus.

Join us in Cambridge, Massachusetts, for practical knowledge and skills for a digital-first future and to meet cutting-edge start-ups showcasing the latest products to enable your institution to plan its digital future.

❖ **UNIMED - Tailoring Research and inclusion Strategies for vulnerable migrant contexts: the final conference of the RAISD Project**

International Conference is organised under the H2020 project RAISD addresses the need for effective strategies for the attention and inclusion of distinctively Vulnerable Groups among Forcibly Displaced People. The Conference will be held on May 17th and 18th, 2022, at Real Albergo dei Poveri in C.so Calatafimi, 217 - Palermo, Italy.

Forced displacement crises overcome societies and institutions all over the world. Pushed by the urgencies rather than events, **solutions are frequently reactive, partial, and disregard some groups.** The project 'Reshaping Attention and Inclusion Strategies for Distinctively vulnerable people among the forcibly displaced' (RAISD) aims at **identifying highly Vulnerable Groups (VG) among these forcibly displaced people, analysing their specific needs (Panel 1), and finding suitable practices to address them (Panel 2).**
