

❖ **THE - AGILE EDUCATION FOR A DIGITAL-FIRST FUTURE MAY 9-12, 2022, BOSTON MARRIOTT CAMBRIDGE, CAMBRIDGE, MA, US**

Taking a whole-sector approach to digital transformation, this event will bring together higher education institutions from across the US to challenge the current university model and transform it to deliver agile continuous education for the future.

Education needs to become more flexible, cost- and time- efficient. Discover how digital technologies can transform teaching, learning and the campus experience in an open, collaborative and innovative way.

Together, we will explore:

- Challenges and opportunities of an agile continuous education model.
- What educators need to know about the future of hybrid and flexible learning.
- Bridging the student digital divide.
- Overcoming barriers to edtech adoption.
- The future of online education in the knowledge society.
- Skills for a digital-first future.
- Cyber surveillance strategies for a secure campus.

Join us in Cambridge, Massachusetts, for practical knowledge and skills for a digital-first future and to meet cutting-edge start-ups showcasing the latest products to enable your institution to plan its digital future.
