## ❖ THE - FORGING ALLIANCES TO MEET CHALLENGES (14 JULY 2022 VIRTUAL EVENT)

The Latin America's rich biodiversity and research culture exemplify the makings of an attractive knowledge hub for local and international talent.

Join us online on 14 July to explore how these missions translate to consolidating Latin America's status as a key player in higher education on the world stage.

### EVENT OBJECTIVES

- Provide multinational insights on the effects of privatisation within Latin America's higher education community
- Evaluate the needs of a more digitally focused cohort to streamline the delivery of tertiary education across multiple demographics
- Explore avenues of internationalisation that lend themselves to the development of local communities
