❖ **THE - TIMES HIGHER EDUCATION PARTNERS FOR A SUSTAINABLE FUTURE 28 SEPTEMBER 2022, BAKU, AZERBAIJAN**

Education is widely considered the single most important pathway to change. But...

- To what extent is there real cause and effect between the progressive conversations taking place on university campuses and the reforms being made within industries providing the bulk of sought-after opportunities for graduates?
- What kind of career options do we owe this next cohort?
- How can we redirect the human resources behind unsustainable businesses into future-ready solutions, and improve the livelihood of generations to come?

EVENT OBJECTIVES

- How can universities embed climate justice in every aspect of the education they offer?
- How can universities be agents of change by priming their graduates for employment opportunities that contribute to economic and sustainable fortunes?
- What role will widening access to quality education play in eradicating the threats to our environment?

For more information please visit the website:

❖ **"INDO-UZBEK MEET & International Conference on Trends & Innovations in Food Technology From Farm to Fork TIFT-2022 on 24th-25th November, 2022 at Integral University - Lucknow, India**

With the growing world population, enough effort and innovation is required to sustainably increase agricultural production, food processing, improve the global food supply chain, decrease food losses and waste, and ensure that all have access to nutritious food. During recent years, newer challenges such as globalization of trade in food, urbanization, changes in lifestyle, international travel, environmental pollution, deliberate adulteration, natural and man-made disasters have arisen which need to ensure food safety and quality. Both education and training are needed for this purpose.

Theme of the conference:

“Serving Present to secure the Future” will discuss challenges for achieving the better prospects in food processing while serving the present generation for achieving a better future for sustainable development. Apart from harping upon the challenges and opportunities in food processing, the latest technological developments in the food industry, in terms of quality control, packaging, value addition will be discussed in length.

**A large number of delegates from all over the globe are expected to participate in the Conference.*

Conference dates: November 23-24, 2022,

Conference venue: Integral University, Lucknow, Uttar Pradesh, India.

Deadline for abstract submission: September 30, 2022.

For further guidelines and conference registration, please visit this link <http://tift.iul.ac.in/>

❖ THE : The World Academic Summit 2022

World Academic Summit 2022 (Hybrid), Trajectories in higher education: Meeting rising expectations 10 -12 October 2022, New York, US.

THE World Academic Summit 2022, in partnership with New York University, will focus on the theme of trajectories. We will examine the role of higher education leaders and policymakers in identifying, adapting to and meeting rising expectations for progress in three different areas;

- Institutions.
- Students.
- Wider higher education sector.

THE's flagship annual summit will bring together some of the world's most influential leaders and researchers to discuss where higher education is headed and how it will contribute to these multiple trajectories at the individual level of student success, at the institutional level of pedagogical and research excellence and relevance, and at the sector level of meeting the needs of society and being viewed as a crucial player in a post-pandemic world.

❖ **Synergy between Information Technology and Quality Education in the 4IR Era".**

At the 15th General Conference 2022 of the Association of Universities of Asia and the Pacific (AUAP), which is anticipated to take place at Daffodil International University (DIU) in Dhaka, Bangladesh, from November 14–16, 2022, DIU invites paper presentations under 2 different Parallel Sessions to review the impact of quality education and information technology, in conjunction with 4IR where the HEI leaders, top executives, globally renowned speakers, international relation experts and educationists from many institutions all around will share their experiences and will come up with case based solutions.

Six engaging sub-themes provided for the parallel sessions:

-Online to Blended Using Technology for Employability.

-Experimental & Practical Components in Outcome-Based Education.

-Project-Based Teaching & Learning.

-Innovation, Incubation & Entrepreneurship.

-International Cooperation & Mobility.

-Faculty Development & Research.

About Submission: All papers that have been accepted will be included in the conference proceedings. This special issue is dedicated to analyses of how our shared experiences in the quality assurance (QA) in higher education and technology domains offer approaches to ensure and dents effect in 4IR issue. The submission of empirical papers on the above-mentioned sub-themes, which highlight and illustrate the conference's theme and sub-themes' Best Practices, is strongly encouraged.

Submission Deadline:

The Extended Abstract Submission Deadline is October 15, 2022.

The Full Paper Submission Deadline is October 30, 2022.
