OUR UNION

EURAS – Eurasian Universities Union has been growing the higher education network via Europe and Asia since 2008. The members that are the major institutions of their countries have been sharing the knowledge and experiences in order to achieve the highest quality.

EURAS aims to build awareness regarding the value and importance of the Eurasian region as per its role in terms of world history and civilization. This shall lead all the political, economical and social aspects of the Eurasian continent to a perfectionist identity by using the power of education.

VISION

Our vision is to promote sustainable peace and advanced technology worldwide through the development of culture and new educational systems.

Our vision for the future is that of a society of self-aware and highlyqualified individuals benefiting from global education and mobility services. EURAS aims to open the borders of education to the public and to favor the exchange of knowledge and best practices among higher education institutions from the entire Eurasian region. In order to accomplish these goals, We believe that connecting universities from diverse backgrounds can make the difference in guaranteeing real equality and accessibility to excellence in educational standards.

MISSION

- Building a platform for Regional Universities to reach international educational services;
- Establishing cooperation and networking among Members;
- Improving academic and administrative standards of education;
- Supporting innovation;
- Encouraging student and academic staff mobility;
- Promoting policy development internationally;
- Representing the interests and concerns of member universities while supporting their appreciation and visibility worldwide;
- Strengthening leadership of Eurasian Universities by sharing knowledge and exchanging best practices.

OUR MEMBERS

Our member profile includes a wide range of institutions of public and private universities as well as official institutions and agencies that are related to higher education. In accordance with the region we are covering plenty of highly prestigious institutions from whole Eurasia.

EURIE-EURASIA HIGHER EDUCATION SUMMIT

EURIE is an annual international education conference and exhibition, organized by EURAS since 2016. EURIE has quickly become the largest international education event in Eurasia, connecting the dynamic higher education sector in the Eurasian region to the world.

EURIE exhibition offers great networking, academic partnership and business development opportunities for higher education institutions and other stakeholders in international education.

EURIE's rich conference program addresses current issues in internationalization of higher education and key topics in higher education management with the participation of prominent speakers and sector leaders.

EURIE brings together around 2000 higher education professionals, rectors, deans, academics, international office directors and staff, government agencies, and companies working in the field of educational technologies from around the world.

EURIE highlights the great potential of the Eurasian higher education systems, increases the international reputation and academic collaborations of Eurasian universities. EURAS members enjoy reduced fees, special networking events and meetings at EURIE.
