NEWS AND ANNOUNCEMENT

❖ **UNIMED: Migration and Mobility in the Digital Age: apply by June 10th, 2023 for this Summer Training School**

From 3 July to 7 July 2023 it will be held the third edition of the Summer Training School "Migration and Mobility in the Digital Age" in hybrid form: online and onsite at the University of Tuscia (Viterbo, Italy).

This Summer Training School (STS) is organised by the Jean Monnet Centre of Excellence on the Integration of Migrants in Europe (IntoME).

Launched in September 2020 at the University of Tuscia, IntoME is an international study and research platform for the analysis of migration processes, with a particular focus on integration issues in the EU (www.intome.eu). Academics and high-level experts with a strong competence in immigration, asylum, inclusion and integration studies are involved in the Centre's initiatives to promote excellence in research and teaching activities.

The third edition of the STS will provide Master's and PhD students as well as practitioners with a comprehensive and in-depth understanding of four key aspects:

the progressive digitalization of EU borders and its socio-political consequences;
the fundamental rights implications of data-driven borders;
the accountability concerns and regulatory aspects behind the use of digital technologies to manage migratory movements;
the role of new technologies in the integration of migrants.

These dimensions will be explored from a variety of perspectives, including legal, political, social and economic.

At the following link you can find all the information about the programme and to register <https://www.intome.eu/summer-training-school-2023/>

Applications to participate in this Summer Training School should be submitted by June 10th, 2023. For more information you can write to intome@unitus.it
