❖ UNIMED - Open Innovation & Youth Entrepreneurship in the Mediterranean Agrifood Sector. Apply for this master by September 25th, 2023

This CIHEAM Bari, in collaboration with LUM University – Libera Università Mediterranea, School of Management – opens applications for the 2023-2024 International First Level University Master in “Open Innovation & Youth Entrepreneurship in the Mediterranean Agrifood Sector“. The Master, at its fifth edition, envisages the active involvement of national and international companies.

The Master, totally held in English and open to candidates from all over the world, aims to train a new generation of innovation managers, enhancing the entrepreneurial culture and contributing to the design, development and implementation of innovative projects within enterprises and organizations (innovation managers). Moreover, it is aimed at launching new entrepreneurial initiatives (start-ups) and providing consulting services meant to promote knowledge transfer through the introduction of business innovation processes and methods (innovation brokers).

The Master will stretch over 6 months, from January to June 2024, and awards 60 credits. Applications will be open online from 25 July to 25 September 2023.
